

UNESCO Chair on  
Coastal Geo-Hazard Analysis

Research Institute for Earth Sciences  
Geological Survey of Iran

Date: 05/06/2024

No: RIES-UCCGHA- 051

**Dear UNESCO Chairs and UNITWIN Networks,  
Dear Colleagues,**

The monthly series of discussions in an interdisciplinary space within the activities of the UNESCO Chairs in Coastal Geological Hazards, UNITWIN Networks, proudly hosts **Professor Jean Chery** from the CNRS/UM of France.

You are invited to the next UNESCO Chair Seminar on "*The Role of mature forests in sustaining large-scale hydrological cycles from historical cases to physical modeling*" on Monday, 24 June 2024, from 11:00-12:00 (Tehran time).

The Seminar will be conducted online (<https://meet.google.com/hhk-gbgz-ihh>) in English.

Please share this information with your networks, colleagues, and students. We welcome your comments, feedback, and suggestions via email at [uccgha.ries@gmail.com](mailto:uccgha.ries@gmail.com).

**Best wishes,  
UNESCO Chair Programme Team**
